Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents and Carers,

This week has certainly brought a shift in weather, with our first snowfall of the term. The sights of falling snowflakes have ignited excitement among both children and staff, with many asking, "Can we build a snowman?" It was delightful to see such enthusiasm, whilst my head was filled with health and safety implications!

As always, our curriculum remains in full swing, regardless of the weather. To ensure your children are comfortable and prepared for their physical education lessons, please provide them with a blue or black tracksuit. Warm clothing and a waterproof jacket are essential items for lunchtime and after-school sports clubs.

In light of our recent weather, I want to reassure you that should we experience heavy snowfall or hazardous conditions, the Senior Leadership Team will assess the situation and make a decision regarding school opening by 06.30 that morning. We are committed to keeping the school open safely whenever possible. In the event of a closure, we will inform you via ParentMail, text message, and updates will be posted on our website and Twitter (formerly known as X).

It has been a wonderfully busy week at Hogarth! We have received fantastic feedback from both the Science Museum and the Houses of Parliament, where our children behaved impeccably, setting a great example for others.

We also had the pleasure of welcoming Don Rae, who worked with our youngest children to celebrate Anti Bullying Week through dance. Their courage and enthusiasm during performances were truly inspiring, revealing many hidden talents and potential future stars of Strictly!

Over the last month have been showing prospective parents around our school, and I must say, the children have been a credit to Hogarth. Visitors have commented on how polite and studious they are, as well as how well our staff connect with each child. It was clear to them that we are providing many enriching opportunities for personal development.

As we look forward to the weekend, I hope the cold front passes and you can enjoy some outdoor activities. I, for one, am eager to watch my own boys play rugby and football, with fingers crossed for some sunshine!

Thank you for your continued support.
