Headteacher: Mr R Watson

## Headteacher's Comment:

Dear Parents and Guardians,

Following an extremely busy aspirations week superbly organised by Mrs King, we are now approaching the final week of another exciting and action-packed half term. In your children's bags today, you will have found their Parents' Evening report in readiness for next week's consultations. If you haven't yet arranged a time to meet your child's teacher, please do so at your earliest convenience. This meeting is a valuable opportunity to discuss your child's progress and explore ways to support them at home. Our staff have dedicated significant time to assessing your child and creating these reports, so please ensure you take the time to read through them over the weekend and come prepared with any questions. This will help us utilise our short time slots most effectively.

This week, our KS1 and Reception children had the wonderful experience of working alongside Don Rae to create dance routines, stories, and ribbon dances to celebrate Chinese New Year. It was an absolute delight to watch them as they performed their routines in a remarkably bright and lively assembly. The confidence shown by our youngest children as they performed in front of their peers was truly incredible, showcasing their journey with us thus far.

A combined football team from Year 5 and Year 6 represented Hogarth this week in a friendly fixture against Endeavour School. This was a first for Hogarth and our local neighbours, and the game was played in great spirits, highlighting sportsmanship and inclusivity from both teams. Although the score reflected a victory for Hogarth after regular time, with Endeavour clinching a win in the penalty shootout, every child on the pitch was a winner. We have another game organised next week to provide more children with the opportunity to wear Hogarth colours.

I would also like to offer a huge well done to Year 5 for their recent class assembly, where they taught us about environmental awareness. The hard work put in by both the staff and children made for a fantastic opportunity to share these important messages with our school community.

We have just rolled out new playground equipment for the children, as requested by our School Council. Lunchtime is now filled with a variety of engaging activities, including Large Connect Four, Corn Hole, Dominoes, Speed Stacking Cups, Skipping Ropes, Construction Blocks, and Arts and Crafts materials, alongside our exciting new Hogarth Golf Course. We hope this will enhance the personal development opportunities for our children, complementing the other trips and activities we offer. Additionally, we would like to create a role play area, and if you have any old dressing-up clothes or outfits that no longer fit your children, we would greatly appreciate your donations to help our children engage their creative side.

With the weather turning colder this week, I encourage you to seek out fun activities to enjoy with your children. Personally, I will be supporting England at Twickenham on Saturday, and I am certainly hoping to find the best ways to stay warm and dry!
