Headteacher: Mr R Watson

Headteacher's Comment:

I am pleased to inform you of the great success we have had during our recent Book Week, expertly led by Mrs. Higgs and supported by all the adults in the school. The enthusiasm and dedication shown by everyone involved made the week truly memorable for our students. The children looked incredible as they walked into school on Thursday not to mention the staff that made the effort.

I would like to extend my thanks to the members of the Hogarth PTA for their invaluable support in helping the children create wonderful Mother's Day gifts. Their commitment to the school community is greatly appreciated and I would urge many of you that have time to spare to consider joining this amazing band of parents.

This week our Reception children had successful visits to Brentwood library, where they all became members and were able to choose and borrow their own books. This experience will undoubtedly foster a love for reading and learning amongst our young children as we push for children to read more regularly at home.

I would also like to express my gratitude for the generosity of Theo U, who recently made a donation of £100 towards our school fundraising efforts. This, combined with the impressive £1150 raised from our Pancake Day event, is truly commendable. The money raised from these events will give our children more opportunities and resources to develop as individuals.

In other exciting news, I am thrilled to announce that we will be launching a new school website after Easter. This will provide an improved platform for communication and engagement with our school community. We would welcome your feedback on this new site when it becomes operational. I am also pleased to share that we have received approval to proceed with the development of a brand-new Computing suite. This new facility will house 34 desktop computers and a new teaching wall, with completion expected by the end of May. This addition will enhance our students' learning experience in the digital age enabling greater access to the curriculum.

Lastly, I want to wish our new school tag rugby team the best of luck for their first game next Friday. With little training but lots of enthusiasm I'm sure they will leave the pitch as winners regardless of the score.
