Headteacher: Mr R Watson

Headteacher's Comment:

I hope this News and Views finds you well. I am writing to share some exciting news about our recent, informal visit from the Local Authority. It gives me great pleasure to inform you that the feedback we received was extremely positive. The Local Authority expressed their satisfaction with how our school is progressing and noted our strong curriculum offer. They specifically highlighted the engaging nature of our Literacy focus and the remarkable improvement in our Early Years environment over the past year. I would like to stress that these achievements are a direct result of the hard work and dedication of the whole Hogarth team, with invaluable support from the Discovery Educational Trust and other heads within the trust. Without a doubt, our children are benefiting greatly from these collective efforts.

Additionally, this week I had the opportunity to read with a selection of children across the school. I can proudly say that all the children I read with demonstrated excellent reading skills, and their comprehension abilities were truly impressive. They are receiving reading books at an appropriate level, which is crucial for their continued progress. It is pleasing to highlight that the number of children reading a minimum of three times a week, as expected, is still increasing. Though we are yet to reach the target of 100% of students achieving this goal, it is heartening to witness the steady rise from September. I kindly request that you continue to play an active role in your child's reading habits by signing their reading diary each time they have completed a session.

On a lighter note, I want to express my delight at the overwhelming support shown by our students for Comic Relief. It was wonderful to see so many of them wearing red today to contribute to this fantastic cause. We will be adding up the total amount raised, and the details will be shared in next week's News and Views.

Lastly, I would like to extend a warm welcome to three new members of our team who will be supporting the teaching and learning at Hogarth. We are delighted to have Mrs. Good joining us in 5OD, Mrs. Pead in 4C, and Mrs. Baron in 6C. Their expertise and dedication will undoubtedly contribute to our ongoing success, and I am confident that they will quickly become valued members of our school community.

As always, I want to remind you that your input and involvement are valued and greatly appreciated. If you have any concerns or worries, no matter how small they may seem, please do not hesitate to speak to your child's class teacher during pick-up time or any member of the Senior Leadership Team (SLT) stationed at the gates.

Thank you for your continued support, and together, let us strive for even greater success at Hogarth.
