Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents and Carers,

I hope this week's News and Views finds you well and that you have enjoyed a relaxing and well-earned two-week Easter break. It has been wonderful to see the children and staff return, energised and in good spirits, as we prepare for a short but action-packed Summer 1 half-term. After reading this newsletter, you will note that there are only 19 teaching days until the half-term holiday.

Despite the shortness of this term, we have many trips, experiences, and wide-ranging opportunities lined up for the children. As a reminder, our Year 6 SATs begin on the 12 May, and I am sure you will join me in wishing them all the best. I would particularly like to thank our Year 6 teachers who voluntarily provided booster sessions to a group of children during their own time over the Easter break; your dedication does not go unnoticed.

At the start of this term, I would like to reiterate our focus on improving attendance at Hogarth. Please note that any child arriving after 8.45 will be marked as late, while arrivals after 9.15 will be recorded as an unauthorised absence for the morning session. The Essex Attendance Officer will be visiting us next week to provide guidance on how we can enhance our attendance further.

Additionally, I want to remind everyone about our uniform policy. The school PE kit consists of a white top and black shorts, and it is essential that your child wears the specified kit for participation in PE lessons. The PE kit should remain in school at all times. School shoes should be black and 'polishable', rather than made from sports fabric.

I would like to thank everyone who made the effort to dress in red and white to celebrate St George's Day this Wednesday. It was wonderful to engage with the children about the myth and legend surrounding our patron saint. With the weather set to be fair next week, please remember to send your child in with a water bottle to ensure they stay hydrated throughout the day.

Also, I would like to say a special thank you to Malik for his very thoughtful belated 3D printed birthday gift; it certainly brought smiles to the faces of our staff team.

Thank you for your continued support.
