Headteacher: Mr R Watson

## Headteacher's Comment:

Dear Parents,

As we embark on the Summer Term here at Hogarth, we have experienced a truly British start with a mixture of wind, hail, rain, and sunshine. Despite these unpredictable weather conditions, the positivity of both the children and staff as they enter the school each morning have been truly heart-warming to witness.

I am delighted to inform you that this term brings along many exciting additions to our curriculum. Every year group will have the opportunity to participate in a school trip, with Year 6 commencing their swimming lessons and eagerly anticipating their residential trip scheduled for July. Furthermore, we have upcoming events such as sports day, a sponsored walk, 'Hogarthfest' and various opportunities for parents to engage with the school community and witness the progress we are making here at Hogarth.

This week marked the commencement of the conversion of our dance studio into a state-of-the-art computing suite, a development that has stirred up excitement among both students and staff. This enhancement will enable each child to access technology individually while also fostering collaborative learning throughout the curriculum. I am looking forward to sharing images of this transformative space with you in the near future.

We were pleased to welcome Don back to Hogarth this week, where he engaged our upper Key Stage 2 children in dance lessons themed around the upcoming European Football Championships, incorporating dance routines from various European countries. Don's creative input has been well-received, and the children have thoroughly enjoyed showcasing their routines to the entire school.

On a separate note, prior to the Easter break, concerns were raised regarding the use of mobile phones by some parents while driving and ongoing parking challenges along Rise Way (such as parking up on the kerbs and on the cross hatchings by the school). While these issues are beyond the school's control, I kindly urge you to consider the impact on local residents when parking and to demonstrate caution and courtesy during busy times around the school premises. The safety of our children, local residents and yourselves is paramount.
