Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents,

As we approach the end of another week, I'd like to take a moment to reflect on the amazing journey our Year 6 children have been on over the past year. It fills me with immense pride to witness their confidence, enthusiasm, and maturity as they sat their SATs this week. Despite the challenges some of these young individuals have faced during their time at Hogarth, their dedication and growth have been truly commendable. It's heartening to see many of them now poised for the next stage of their academic careers.

In line with what was shared in the previous News and Views, I'd like to emphasise that while SATs provide a measure of academic achievement, they do not fully capture the personal growth and progress of each child. Whether a student leaves us at a 'Working Towards' or 'Greater Depth' level, what truly matters is the development of responsible, resilient, and reflective individuals who contribute positively to our community. This, to me, is the real measure of success for our school, and I am incredibly proud of each and every one of our Year 6 students.

I'd like to extend my heartfelt thanks to the Year 6 team for their exceptional dedication and efforts in preparing the children throughout this academic year. Their commitment has played a pivotal role in providing our students with the support they needed to thrive. While we must continue to maintain our focus and momentum for our Year 6 students, it is also a time for celebration and recognition of their hard work and achievements thus far.

Last week, our new Local School Committee (LSC) convened, comprising a dedicated team of local residents, staff, and stakeholders committed to supporting and challenging our school. Additionally, Mrs King and I had the privilege of guiding the Discovery Educational Trust Members and Trustees on a tour of the school. Their positive feedback resonated with the safe and engaging learning environment we have cultivated at Hogarth, thanks to trusts invaluable support and guidance.

As we transition into the warmer months, I trust that your sunflowers are thriving. It is a friendly reminder that our annual competition with other local schools is underway. Learning from past experiences, I am mindful of the delicate balance in watering plants effectively this year to ensure our participation is as competitive as possible.

I hope that you have a pleasant weekend ahead, filled with enjoyable activities and relaxation. Once again, I wish to commend our Year 6 children for their resilience and determination throughout what has been a challenging and stressful week for them.
