Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents and Carers,

Another very busy week at Hogarth has just passed, starting off with an extremely well-attended induction meeting for our new children joining us next September. It was wonderful to see so many familiar faces, along with eager parents ready to embark on this exciting new journey at Hogarth. I would like to extend my gratitude to the members of the staff, Trust team and Mrs Adams, our Chair of Governors, for their support during this meeting.

On Wednesday, we held our Year 6 Residential meeting, where the team shared expectations for the trip. This is sure to be a very busy and undoubtedly tiring experience for the children! I would also like to thank all staff members who made the effort to attend this meeting, giving up their own time to ease any concerns.

This week marks the culmination of the hard work our Year 4 children have committed to over the last two years in preparation for their multiplication tests. The additional practice implemented by the Year 4 team and the efforts made at home using TT Rockstars have proven to be worthwhile, as early indications suggest that the children have significantly improved their results compared to previous years. Well done to all the children for their outstanding achievements, both individually and as a class—I'm sure your Year 5 teachers will be very impressed!

It is also the week of our Phonics testing for our Key Stage 1 children. Mrs Clarkson, who has been testing the children, has had a smile on her face all week, which fills me with great confidence. The children have worked exceptionally hard over the past two years following the ELS Phonics scheme. I wish to express my gratitude to the staff team involved in teaching Phonics and to you as parents for supporting reading at home. It is through this partnership that our children can reach their full potential.

Looking ahead, next Thursday afternoon we will host Hogarth's first Sponsored Walk. This event presents a fantastic opportunity for the children to raise money for the school, keep fit, and for parents to come into the school and further strengthen our incredible community. We are hopeful that the weather will be as predicted. Please arrive by 13:45 as we aim to start our walk just before 14:00. We shall see how many laps of our track the children can complete in 45 minutes!

Additionally, starting next Thursday after school, we will be launching our Book Fair, which will run for four nights and will be cashless. Please feel free to come along and browse; all funds raised will be reinvested into our book selection for the school.

I wish you all a warm and dry weekend. I will be at Twickenham this weekend with my boys, celebrating Father's Day and watching the Premiership final. To all the dads out there, I hope you enjoy your time with your children.
