Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents and Carers,

This week, we have witnessed a rise in temperature, and as a result, it has been great to see our children finding opportunities to play and engage with our Year 6 leaders in the shadier areas of the school—reading, playing chess, building with Lego, and generally having fun.

Thank you to all our parents who have ensured children are bringing in water bottles, have had sun cream applied, and are attending school despite the heat. The heat does bring added pressures for us all, but please be rest assured that the care of your children is paramount, and the heat should not be a reason for non-attendance.

This Thursday also saw our first **Sponsored Walk**, where all money raised will go towards the new school library. It was incredible to see our community come together once again as the children battled the heat of the afternoon sun—having fun, burning calories, and raising money. Thank you to everyone who participated in such a joyous afternoon.

This week was also National *Thank a Teacher Week*, and we are delighted to share that our school received a **Certificate of Excellence** from the National Teaching Awards in recognition of *Making a Difference*.

As a school, we continue to build upon the strong foundations already in place and are proud of the ways we enrich the children's curriculum and their overall enjoyment of school.

I would like to personally thank Sam Tiffin, who independently sent a message to the Teaching Awards team to thank the school. I will be sharing that message—it certainly gave those mentioned a well-deserved and positive boost.

Wishing you all an enjoyable weekend—keep cool, stay hydrated, and remember to apply plenty of sun cream!

I'll be at a football festival all day Saturday and, honestly, I couldn't think of worse weather to be competing in!
