Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents,

I am delighted to share with you some highlights from another eventful week at Hogarth Primary School. The children in Year 5 and 6 were treated to a fantastic performance of School of Rock by the talented students of St Martins. It was a thrilling experience for our pupils and they were truly inspired by the dedication and skills of their peers from a school in our trust.

Our sincere thanks go out to the dedicated PTA volunteers who generously gave their time once again to support the children in their craft making activities this week. Their contribution is invaluable and greatly enhances the learning experiences of our students.

In line with our commitment to providing immersive learning experiences, the children in Year 3 and 4 had a fascinating time delving into the world of ancient Egypt. From mummification to ancient traditions, our pupils engaged fully in the Egyptian experience, broadening their knowledge and understanding of history.

I am pleased to announce that our computing suite is now fully operational, thanks to the investment made by the Discovery Educational Trust. The children have already started benefiting from this state-of-the-art facility, enhancing their digital skills and preparing them for the challenges of the modern world.
