Headteacher: Mr R Watson

## Headteacher's Comment:

Dear Parent,

It has been another glorious week at Hogarth Primary School, with the sun shining brightly. I am pleased to share that the children and staff have coped admirably in the heatwave we have been experiencing. As a gentle reminder, please ensure that your children bring a bottle of water to school and have applied sun lotion with a high SPF before coming in.

Our Year Four children had a fantastic time mixing with 3000 other pupils from across Essex at the Essex Schools Food & Farming Day. Despite the heat, the children had a wonderful experience, and their behaviour was exemplary, showcasing the values we strive for at Hogarth. It was also heartening to see the hard work of Year 4 on display at their farmers market on Friday, where they managed to raise an impressive £61.

This week marks the beginning of the transition for our Year Six pupils to secondary schools. They will be spending 1-2 days at their school of choice. We wish them all the best of luck and have no doubt that they will be shining ambassadors for our school. While the transition from Year 6 to Year 7 can be daunting, I am confident that our children will navigate this week with ease.

Next Tuesday, we are excited to celebrate our inaugural 'Hogarth Fest'. Please remember to purchase your wristbands and raffle tickets for the event. To reduce queuing, you can buy them at the KS2 playground gate after collecting your children on Friday and Monday. We kindly ask that parents wait in the KS1 playground after collecting your children on Tuesday to ensure all children leave safely. The event promises to be a delightful evening with many stalls, live music, and food vans. Feel free to bring a blanket and relax on the field while the children enjoy the festivities that the PTA has organised. A quick reminder that smoking, vaping, or alcohol consumption is not allowed at the event.

Wishing you all a wonderful weekend, and for those like myself following the football on Sunday, let's hope England continue to 'entertain' us.
