Headteacher: Mr R Watson

## Headteacher's Comment:

Dear Parents,

I am thrilled to reflect on the wonderful evening we shared as a Hogarth community at our recent Festival. It was heartening to witness everyone come together to revel in an event full of joy, laughter, and of course, a generous serving of Candy Floss. The festival provided us with an excellent platform to showcase our talented choir and school band, alongside a captivating performance by the local emerging duo, Dan & Izzy.

I would like to express my deepest gratitude to the individuals who contributed significantly to the success of the event. A special mention goes out to Mrs. Fowler and her dedicated PTA team, Mr. Ayres, our committed school staff, and, of course, all of you parents for embracing the festive spirit with such enthusiasm. The overwhelming support and numerous donations from parents and local businesses only reinforce the growing reputation of Hogarth in our community.

The overwhelmingly positive feedback we have received post-event is a testament to the collective effort and occasional challenges we overcame in organising the festival. Looking ahead, if you have any suggestions on how we can further improve this event next year or perhaps have connections to a band willing to perform, your input is invaluable. Our aspiration is to create a festival experience that can one day rival Glastonbury.

I am delighted to share that the event raised over £2,500, a substantial sum that will be directed towards acquiring iPads for the school, enhancing the computing curriculum and providing our children with valuable learning resources.

In sporting news, our Year 6 girls' football team made a commendable mark at the St Helen's festival. Winning all five of their group matches and displaying exceptional teamwork, they stood out as true ambassadors of our school. The girls' valiant efforts were recognised with the teamwork award, with Mirella's impressive feat of winning the kick-up competition.

Lastly, as we bid farewell to our Year 6 students and staff embarking on their upcoming residential trip, I extend my best wishes for a memorable and enriching experience ahead. I trust that this time away from technology will create lasting friendships and provide unique opportunities for personal growth before transitioning to secondary school.
