Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents/Carers

As we reach the halfway point of the first term, I am delighted to share that the children at Hogarth are already reaping the benefits of a broad and balanced curriculum that we offer. We have witnessed lots progress in their work, evident in their books and across the school environment from recent 'book looks' and 'learning walks'.

All our teacher-led clubs are now underway, and I would like to extend my thanks to our incredible staff who have generously given their time to support these initiatives. Special thanks also to our coaches, Tarik and Jamie, who are currently training many of our budding football stars.

Our school trips have successfully started, with highlights including some of our choir members attending a performance of *The Lion King*. Additionally, our Year 6 pupils had a rain interrupted trip to Lathcoats Farm, braving the challenging weather with smiles on their faces.

I am also excited to inform you that our child leadership teams have been established. We will share details of these new teams in our weekly *News and Views*. It is crucial for the children to feel they have a significant role in Hogarth's continuous improvement. As part of this initiative, the School Council will be holding their very first working lunch at the Toby Carvery in a few weeks, led by Mrs King.

On a different note, I must bring to your attention a matter of importance regarding punctuality. We have noticed a considerable number of children arriving late, which affects our office team and disrupts learning. While we understand that some mornings can be challenging, please remember that our teachers are ready to support the children from 08:25. We encourage you to ensure your child arrives before 08:45 to make the most of this valuable time.

I would like to introduce:

Head Boy - Samuel

Head Girl – Suela

Deputy Head Boy – George

Deputy Head Girl - Megan
