Headteacher: Mr R Watson

Deputy Headteacher's Comment:

Dear Parents/Carers

What a busy week at Hogarth! There have been trips and visitors every day! We are thoroughly enjoying these enrichment experiences and the positive impact they are having on the personal development of our pupils. The children are developing their confidence and communication skills.

The week started with EYFS and KS1 enjoying a drama workshop from Perform. The theme was 'Outer Space' and the children developed their confidence, concentration and social skills using drama, dance and singing.

On Tuesday, some of the children in the school went to the Penathlon Bowling competition at Hollywood Bowl in Basildon. They showed remarkable resilience and although they did not win, had great fun and all came home with a medal and certificate!

On Thursday Chef Ashley was back to work with Year 4 and Year 5. The children practised some cutting techniques (bridge and claw) and cut up fruit and vegetables to make their own salad. A great morning of fun and learning important life skills.

Thursday was also National Poetry Day, and the whole school took part in Hogarth's first Poetry Slam. Each class performed a poem to the rest of the school and I was delighted to announce in assembly today that Year 4 won the Slam although it was very difficult to choose a winner! Fantastic performing by the whole school!

Year 5 and 6 footballers took part in a competition against other local primary schools at Shenfield High School. The boys displayed all of Hogarth's core values and we are very proud of their efforts.

On top of all of these enrichment opportunities the children have been working exceptionally hard in school and the quality of work across the school in all areas of the curriculum is impressive.

As October is Kindness month, we are going to be giving KS1 and KS2 children a 'Kindness Bingo' to carry out kind acts in school throughout the month. There will also be tasks for KS2 children to carry out acts of kindness in the community, which will, of course, be optional. There will be stickers for all the children that complete the 'Kindness Bingo' and also awards for the 'Kindest Individual' and 'Kindest Class', depending on how many tasks they carry out and whether they took part in being kind in the community. We hope that these activities will further strengthen our links within the local community and support our children's personal development.

Have a wonderful weekend!
