Headteacher: Mr R Watson

Headteacher's Comment:

Dear Parents/Carers,

As we approach the penultimate week of this half term, I am pleased to report that it has been a successful seven weeks. The children are making excellent progress in their new classes, establishing positive relationships with their class teachers, and creating exciting new friendships.

Next week marks our first parents' evening of the year. During this event, you will have the opportunity to discuss your child's progress and attainment with their class teacher. Please ensure that you have booked a time for your meeting, as I will personally follow up with any missed appointments after half term. Additionally, I kindly ask you to read the parents' report form, which will be sent home with your child today.

I would like to express my gratitude to Mrs Fowler and her PTA for their generous support in match funding a request from the school to purchase a class set of iPads. This initiative will significantly enhance our computing curriculum. The PTA will be contributing £6,000, which stems from the fundraising efforts throughout the year. As a result, I would also like to thank our families for their generous contributions to various events, as these purchases would not be possible without your continued support. In light of this, the PTA is seeking more dedicated members to help expand our events. All parents are welcome to join us for a meeting on Monday morning at 08:45, where we will be planning the HO HO Hogarth Christmas event. Tea and biscuits will be provided!

On Monday, our school football team played in the Langhelt Cup against Ursuline Prep School. It was a fantastic display of football, with the children giving 100% and working incredibly hard as a newly formed team. Many of the children were participating in a competitive match for the first time. The game ended in a thrilling 2-2 draw, and while we ultimately lost 2-1 on penalties due to the remarkable efforts of the Ursuline goalkeeper, I am sure you will agree that our boys should be exceptionally proud of their achievements. I, along with Mr Yexley and our parents, could not have been prouder of them. A match report will follow from the team captains.

I would like to gently remind all parents that if your child does not have the correct PE kit (black shorts, white t-shirt, and trainers) or football kit (including shin pads and football boots), they will be unable to participate in these sessions.

I would like to extend my congratulations to Mrs King, who has received confirmation that she has passed her SENDCo accreditation course with flying colours this week. This accomplishment, which can contribute towards a Master's degree, demanded considerable dedication and personal time from Mrs King to ensure our school meets its statutory requirements. Well done, Mrs King, from all of us at Hogarth!

A reminder, Coach Tarik is running a fun-filled multi-sports camp during half term. These sessions are being run daily from 4.11.24 to 8.11.24 and cost £30 for a day pass or £120 for a week pass. Have a wonderful weekend!

Football Match Report

The Hogarth boys football team played Ursuline Prep School in a cup match on Monday evening. Hogarth started with George Sage in his luminous yellow goalkeeping kit with Samuel, Olumide, Antonie, Nils, Charlie and Ed wearing the royal blue of Hogarth.

In the first half we went 1-0 down but Charlie came back with an excellent chip which fooled the goalkeeper to level the score. Later in the first half, Samuel scored a curler in the top corner to make it 2-1. Hogarth defended strongly but unfortunately Ursuline equalised with a couple of minutes left to play, pushing the game to be decided on penalties. Despite the bravery of our penalty takers and goalkeeper, we lost the shootout 2-1.

Well done to all who represented Hogarth, it was an enjoyable match and we look forward to the next fixture. Thank you to Mr Watson and Mr Yexley for their coaching, and to the parents for their loud support. Special mention to Nils as our MVP - well done Niles
