Headteacher: Mr R Watson

Headteacher's Comment

We have made it!

We have reached the last day of a very long, exciting and encouraging term. I would like to reiterate my thanks to all children and parents for their support, dedication and enthusiasm as Hogarth Primary School moves forward under the Discovery Educational Trust umbrella. I would also like to thank our new and existing staff team who have supported myself and the other members of SLT in creating a vibrant, consistent and positive feel through the school. I hope that as you came into school on Tuesday to celebrate the successes of your children that you witnessed how the school continues to improve. The Senior Leadership Team have received lots of positive feedback about Hogarth whilst around the school on Tuesday. This is testament to how we are all working hard together in the best interests of our children.

We wish you all a very merry Christmas. Stay safe and we look forward to welcoming you all back on Thursday 4th January.

Autism Central support

Support for Parents / Carers of Autistic Children and Adults

The Peer Education Programme is run by families, for families. Parents can request a one-to-one call with a Peer Educator, attend online group sessions, and find a broad range of information all on the [Autism Central](http://www.autismcentral.org) Website. Upcoming sessions include Christmas holiday survival, anxiety, and sensory processing. Please share this free service with the families in your community – no diagnosis required.

Maths at Home!

Creating positive memories of doing maths together as a family is an important step in building a confident, can-do attitude towards maths. Check out this great family maths charity website for some inspirational ideas to do at home.

Tuesday 6th February – Internet Safety Day

Friday 9th February – Parents Evening reports out

Tuesday 13th February – Late Parent Evening

Thursday 15th February – Early Parent Evening

Thursday 15th February – 5Y Class Assembly

Friday 16th February – Food Discovery Programme Year 4

Friday 16th February – Alom Shaha – Author visit 2pm

Teachers2parents

In order to improve communication between parents and the school, we have recently signed up to 'teachers2parents'. This is a mobile messaging app that will allow us to send text messages and reminders alongside the ParentMail system that we currently use.

All of the phone numbers used are from our SIMs system. Please ensure that if you have recently updated your mobile number, you have let us know.

Life outside of Hogarth

After their busy days at school, Sebastian and his brother Alexander (a former pupil) have walked the streets of Upminster with The Havering Rotary club Christmas float to raise money for local charities. The collection last Friday evening collected over £1,000. Here are the boys with their collection buckets after an evening of collecting!

Twitter (X)

We finally reached our target of 200 followers for the term. We currently stand at 205 followers and are hoping to reach 300 by the end of the next half term. Keep sharing and retweeting our posts to share with the local community what Hogarth are able to offer our children.

Unwanted Christmas gifts and games

It's that time of year when we may receive duplicate gifts or consider throwing out old games to make space for new. If this is the case Hogarth would like to improve our wet play provision. Please send any complete board games, puzzles and or toys that can be used when the children are unable to play outside.
