Headteacher: Mr R Watson

Headteacher's Comment:

It was extremely pleasing to see how many parents were able to attend our 'Meet the Teacher' sessions this week and we look forward to welcoming many more for the EYFS and KS1 meetings. We hope that this has provided you with the opportunity to see the environment in which your children are learning and who supports them. I hope it also gave you an insight as to how Hogarth is moving forward with our curriculum and everything else our school has to offer your children that they may not have received before. If anyone was unable to attend the meetings and would like further information, the curriculum letters and PowerPoints will be sent home once all of the meetings have been concluded.

The children of Hogarth have had an excellent week and many have visited me in my office for positive reasons; sharing outstanding work, living out the school values and some even asking how I'm feeling in my new role and if I require any help (of which I'm sure I do). There is a noticeable energy within the classrooms and it is incredible to hear that much of this is being relayed at home.

In terms of supporting at home, please ensure that you hear your child/ren read every night, even if only for 5-10 minutes. Reading is the key to any rich curriculum and your support is essential to ensuring the children benefit from all that our school curriculum has to offer. Please remember to sign their Reading Record to say that you have heard your child/ren read or that they have read as this is tracked in school.

On a less positive note, there have been a couple of altercations between members of our school community over the last week. I would like to remind everyone that we are all role models for the community that we serve and ask that everyone considers and follows the values that we embrace at Hogarth. To be respectful, responsible and reflective towards one another.

Stars of the Week

Cooking Club

A message from Mrs O'Donnell -

After-School and lunchtime clubs kicked off this week with lots of children very excited to join in. Cookery Club, was a huge success. The children made and baked chocolate-chip-oreo cookies. I think the delicious aroma managed to travel all the way to King George's park! Despite Mrs O'Donnell's nightmares about having sixteen children together wielding sharp kitchen knives, the first session was brilliant. The children were really sensible, listened well and thoroughly enjoyed making the cookies. Each child got to take home one (very hot!) straight home; a few were taste- tested by some of the staff (verdict: yummy) and the rest are cooling down as we speak ready for our Star Bakers to be take them home and enjoy over the weekend. Well done Cookery Club gang! Let's see what next week entails...

Dates for your diary:

Monday 25th September 2:30pm – Reception meet the teacher

Tuesday 26th September 2:30pm – Year 1/2 meet the teacher

Wednesday 27th September - Paul Sturgess, Britain's tallest man to lead sessions for all children.
