Headteacher: Mr R Watson

Headteacher's Comment:

It has been a pleasure to welcome many of our parents to our 'Meet the Teacher' events over the last two weeks. I hope you witnessed the positivity, hard work and dedication of our team and how we are all working together, to ensure that we create an exciting, engaging learning environment at Hogarth. It is essential that our staff and families work closely together to create a consistent, safe and encouraging environment for our children to thrive. Please remember that if you have any concerns or worries about your child to speak to the class teacher in the first instance. Myself and other members of the SLT are also on the gates at the beginning and end of the day if you need to talk.

Paul Sturgess Visit

The children as well as parents and staff were in awe this week as Hogarth welcomed Paul Sturgess. Paul is recognised as the world's tallest professional basketball player and tallest man in Britain. Paul wowed the children with his many life accomplishments; playing against LeBron James, playing for the Harlem Globetrotters, appearing in the Fantastic Beast films and most recently appearing in the new Lord of the Rings adaptation on Amazon Prime. Paul spoke to the children about being different and how we should embrace our differences in order reach our individual potential. A great message for our children to hear. Paul then led class basketball sessions for all children in KS1 and KS2 which were thoroughly enjoyed by all. We hope that this visit, which will be the first of many, will inspire our children.

Girls Football

We wish the girls' football team every success this week as they travel to Brentwood Prep School for their first competitive game. I look forward to publishing Mae's match report in next week's newsletter.
